Tourism
Maritime Activity: Description

Urban tourism and maritime tourism
- Aquaculture and research
- Cruise ship tourism - short stays
- Gastronomy tourism – wine tours and mussel tasting

Growing sector - recent
- Became stronger a year ago
- Exponential growth
- Use of innovative tools to promote marine tourism – underwater drones
Stakeholders’ Perspective about MSP

- They have a vague perspective about MSP - not aware of the concept
- They think that this can help to the sustainability of their economy
- The sea is our GOD
Suggestions to improve the link between the sector and MSP

- Need to build capacity on MSP through the local authorities - port authority
  - Get inspire with videos

- Persuade the tourism stakeholders to talk about MSP
  - How? To make short script or storytelling they can envision better and communicate
