Stakeholders and Group Picture

Maritime Activity: Description

Border Protection (Integrated System for Maritime Area Vigilance – SIVEX / Frontex)

Cultural and Natural Heritage Protection

Control of recreational and fishing boats

Port Security (fighting illegal traffic – goods and human)

Stakeholders' Perspective about MSP

There is some awareness and Guardia Civil is willing to contribute, showing interest.

Suggestions to improve the link between the sector and MSP

- Increase the information on MSP
- Ocean literacy initiatives
- Involve the sector on the process of developing the plan
- Linking Guardia Civil to the implementation of the Plan and law enforcement
